Arengos Gardens - At One with Nature

This 4th floor west facing 2 bedroom apartment has spectacular views across to Spain.

PROPERTY DETAILS:

This unique eco build on the edge of the city allows residents unrestricted access to the Victorian Gardens on the upper roof for exploration as your own 'back garden'.

A haven of peace and tranquility, residents can sit and enjoy the birds singing, enjoying the secluded natural environment and Morocco at the spectacular seascape from this elevated position.

With those special extras for comfort, private parking, most with adjoining gym, laundry room, and a stunning pool with extensive sundeck and glass balustrades. Additionally there are toilets and showers.

With focus on keeping living costs low, the build provide both eco insulation and cooling facilities.

All apartments will be finished to the finest quality materials, such as bathrooms, engineered timber cabinetry with quality integrated appliances similar. Hi-Finity sliding doors will complete high end homes.
