Spacious Town Centre Parking Space for Sale

We're excited to present an excellent opportunity to acquire a generous private parking space situated within the highly sought-after Midtown Parking complex.

Positioned right in the vibrant heart of the town centre, this space offers unbeatable convenience and security for both personal and commercial use.

Whether you're a commuter, local business, or resident looking for dependable parking in a prime location, this space provides an ideal solution.

Key Highlights:

- Secure and gated facility – Located within the established Midtown Parking complex, offering peace of mind.
- Room for up to 4 vehicles – Ample space suitable for multiple cars or small commercial vehicles.
- Prime central location – Just steps away from shops, offices, and local attractions.

Perfect for personal or business use – A practical choice for individuals, companies, or investors seeking a long-term parking option.
